

3 Sierra Infrared Sauna meets all the qualities of 2 Sierra plus 1! Its cozy, design combined with Canadian Cedar Wood, brings an extra touch to already complete package of self-healing and a refreshing social enjoyment. Slightly enlarged to fit an additional person or provide an extra space for 2, far infrared sauna will easily surprise an unexpected relative or guest. Elegant, charming in design – this sauna is a great choice – as a relaxation hideaway, as a luxurious feature of your home, may be used for social interaction while providing your guests with a healthy use of their visit.

- 2 separate Full Spectrum and 6 Carbon Heaters evenly heat the sauna from the front, back, sides, as well as the floor and bench.
- Dual force with low EMF is a safe and effective way to enjoy all the possible benefits for your health.
