

- Got a space? Ah, the fun part of considering your options when choosing your sauna. 4 Person Corner Sierra Canadian Cedar Outdoor Sauna is exceptional in its effectiveness and space efficiency. This sauna will fit perfectly in any corner of your home. Enjoy the space and the health benefits in style and comfort this sauna offers. There truly isn't a better way of space-saving, then choosing this sauna style. Our personal favorite sauna is ideal in smaller homes, offices, vacation homes or anywhere where even the smallest amount of area must be used. Why not consider 4 Sierra Corner Infrared Sauna? It's a space-efficient solution and one that looks quite handsome. Don't you think? 4 will FIT! But with that being said, I do not mean "in the corner", but rather, spaciouly put and relaxed, tucked in the comfort of this soft, lovely scented wood and warmth surrounding light. Allow this sauna to embrace you and take you into a new world of "letting go" and healing. We promise that you will forget that you are in the corner altogether.

- 7 Carbon Heaters and 2 Full Spectrum heaters are located all around, avoiding direct heating of the head to ensure the best infrared therapy available.
